

BE THE MATCH[®]
NEW ENGLAND

Team Sammy

Could you be Sammy's match?

Meet Sammy, son of Sam Hawkes. Sammy is 4 years old, loves the outdoors and loves playing with his two younger brothers.

In October, Sammy went into the hospital on a Tuesday with a rash and 4 days later started chemotherapy for an aggressive form of leukemia.

Sammy's only chance for a cure is to receive a stem cell/bone marrow transplant from a matched donor. Are you Sammy's match?
